

Chesapeake Harley-Davidson Riding Academy

Instructions for our American Heroes Learn to Ride Discount.

1. Review the [Terms and Conditions](#) for eligibility details. This discount only applies to customers taking the New Rider Course for the first time. Offer ends 11/30/2017.
2. [Open this link](#) and then complete and print the registration form.
3. Bring your completed registration form to our dealership motor clothes department and ask the associate to review your identification as described on the registration form. Acceptable identification includes:
 - Military: Military ID or DD214 form
 - Law enforcement and firefighters: Department ID showing rank and badge number
 - EMS professionals: State-issued EMS license
 - Retired first responders can bring a certificate of service letter from their chief stating they are retired
 - Spouse: Complete the spousal verification form. The associate will sign your form, keep the original, and make a copy for you.
4. Pay your \$99 course fee with cash or a credit card. In addition, provide our associate with a credit card which will be kept on file until class begins. Your card will not be billed the balance of the full course price [\$201] unless you cancel within 14 days before class begins or if you fail to show up to the class. Our Refund and Cancellation policy is attached. No other strings attached—just a sincere thanks for your service as a military member or veteran, first responder, or spouse.
5. Our cashier will produce a receipt showing the full \$300 cost of the course, discounted to \$99 if you are eligible, and will attach it to our copy of your form.
6. The cashier will then keep your original signed form and original receipt to forward to riding academy management.
8. You should leave with a copy of your form, receipt, and signed refund/cancellation policy. Keep these and bring to class as a backup plan if I don't get your documents for some reason.
9. Email [Buzz Williams](#) as needed for questions or concerns.
